

STANDARDS

INDICATORS

d. At the secondary level, the school library collection shall be in accordance with the following:

- o 2000 volumes in schools with under 250 children;
- o 2000 volumes for the first 250 pupils and eight volumes for each additional pupil in schools with 250-499 children;
- o 4000 volumes for the first 500 pupils and four volumes for each additional pupil in schools with 500-999 children; and
- o 6000 volumes for the first 1000 pupils and three volumes for each additional pupil in schools with and/or over 1000 children.

(Standards for School Libraries in the State of Rhode Island).

The annual School Approval application for each school in the district indicates compliance.

(Collection does not include textbooks).
