IMPORTANT INFORMATION

Every student must have a set of head phones and a large ziploc bag to store them in, for computer class. Some teachers have certain items that they would like the children to have, please watch for that list of items to come home. Our website will also have information listed all summer long so check that often as well. Also, please make sure that your child knows his/her phone number and address. Your child should also know what to do in the event you are not home after school or during a weather event or an emergency that would cause early dismissal.
