Core Committee Meeting #3

Middletown's Educational Future

A Strategy for Change

Fielding Nair International/Litman Architecture

Scheduled for January 29, 2006 @ 6:00 PM at MPS Administration Building

AGENDA OVERVIEW

Tonight we will be reviewing the final results of your prioritization the 33-Educational Patterns utilized in the EFEI evaluations as developed at our last workshop. To clarify the distinction between "Open Classrooms" and a "Learning Studio" a short presentation has been prepared to revisit the elements of a modern "Learning Studio". We will preview the PowerPoint presentations for the EFEI evaluations for each school and then get down to the task of working together to fashion a **Vision Statement** which will set the direction of Middletown's Educational Future. Finally we will briefly discuss the development of a Treasure Card Survey of the educational resources available in and around the Middletown Community.
