Scheduled for April 10, 2007 @ 6:00 PM at MPS Administration Building

#### AGENDA OVERVIEW

Over the last month we met with the Leadership Committee, with the Principals of all Middletown Public Schools and finally with the Facilities Advisory Committee (FAC) to fashion draft set of viable master plan options that address the critical issues concerning Middletown's Educational Future. Tonight, using the EFEI Evaluations, the Vision Statement, the Treasure Card Survey and the draft Options Matrix we will introduce the various Master Plan Options that have emerged.

The FNI team will work with the Core Committee this evening to refine the Vision Statement and to discuss the pros and cons of each Master Plan option. The Committee will then break into teams to conduct a detailed review of each option and to develop further refinements, eliminate some or even create new combinations!
