

Middletown High School Site Council

130 Valley Road | Middletown RI 02842 | 401-846-7250

September 15, 2008

Dear Students, Faculty/Staff, and Parents:

We are pleased to announce the convening of the second MHS Site Council for the 2008-09 school year beginning on Thursday, September 18, 2008 at 2:30pm in Room 212. With one year under our belt, the Council is readying for a full docket and welcomes you to be a part of the process. We look forward to having you join us in the gallery; send us an e-mail or a note through the main office. Your opinion is valuable to us.

Last year, we passed a homework policy now being implemented in the system with policy decisions to be voted on for eligibility to participate in extra- curricular activities and athletics and grading. The Council spent much of its time working out protocol and procedures that will support its system of operation.

Therefore, we submit the following attachments to assist the Middletown Public School Community to better understand the Site Council's function. In this packet you will receive the most frequently asked questions about the Council, its calendar for the school year and membership contact list.

As the school's improvement team, this group of committed participants meets on a bi-weekly basis in an open meeting format. We encourage you to take the time to read the information provided to you and hope that you will join us as we move forward in this process.

We look forward to the work ahead and the opportunity to engage in this exciting progression.

Sincerely,

Carmela Geer, Chair

Sue Daughan, Co-Chair
