

# SPECIAL SECTIONS

Issue I  
October 2007

*The Wave's Annual...*

## *A Note From the Editor:*

Time to start a whole new year of *The Wave*. I have a feeling that this year *The Wave* will be better than ever with our new staff writers. They have a lot of great ideas and work really professionally. In the next two pages, you will get to see the new *Wave* staff and get to know a couple of facts about them.

This year I want the Special Sections to feature a lot of things that would interest students. If you have any ideas, feel free to email *The Wave's* advisor, Ms. Clark at [lclark@mpsri.net](mailto:lclark@mpsri.net).

xxx,

*Chrissy*
