

Captain Isaac Paine Elementary School Newsletter

September 2009

Have a great September!

Welcome Back

Welcome to another terrific year at Captain Isaac Paine School. We hope that you and your children are as excited as we are to begin another school year. This is a lonely place without students. We have been hard at work planning many improvements to our already high quality educational program. This will certainly be a GREAT YEAR at Captain Isaac Paine School!

Arrival of Students

The school doors will open at 8:45A.M. Please do not drop off children before that time because there is no supervision. The school day begins at 8:55A.M. Students arriving after 9A.M. are tardy and a parent must accompany the child to the office to get a late pass. Please do not just drop off your child if tardy.

School Security

For the safety of all of our students, the doors to the school will remain locked during the school day. If you come to school during the day, please go to the office entrance and use the intercom to communicate with the office staff. They will assist you in entering the building. All visitors will be required to enter via the office entrance. Everyone must report to the office, sign in, and receive a visitor's badge. You must sign

out in the office as well. Although this process may take more time and effort, it is designed to address concerns for the safety of our students. Thanks for your assistance!

Parent Pick-UP of Students

Students will be dismissed for pick up no earlier than 3:10PM. Students have a lot to learn and every minute counts. Please respect this because the classroom is disrupted every time a child is called to leave early and all children lose the learning time. Please send in a note or call the office before 1PM stating you will be picking up your child early or at 3:10PM.

Paine School's Open House

Our Open House will be on Wednesday, September 16th from 6:30-8PM. Please join us in the cafeteria at 6:30 for opening remarks, followed by classroom visits. Teachers will outline homework policies, curriculum, projects, etc. These meetings will be held in the individual teacher's classroom. (A notice will be sent home shortly!)
