Dear Parents/Guardians:

On Tuesday, September 8, 2009, President Barack Obama delivered a national address to the students of America.

Because this address fell in the middle of the school's normal lunch periods and would have disrupted the day's scheduled instruction, we are putting the video on our website, along with the text version of the address. I encourage you to take advantage of the opportunity to view and discuss the President's message together with your children at home.

Please contact me anytime you have concerns or questions.

Sincerely,

Dauida E. Irwing, Ph.D.
Superintendent/Principal
